

Arkansas College of Barbering is excited to announce the launch of our NEW PM Birmingham App, available on Apple and Android devices.

Students and Alumni can easily stay connected with the latest school news and events on their mobile devices. Other great features include

- Instant messaging with school administrators
- Set reminders for important school events and a built in calendar
- View current job openings as they become available
- Access to useful forms, documents and surveys
- Access to classifieds if you are buying or selling and a car-pooling feature if you want to give a ride or need a ride
- Access to view galleries and videos

To get started, simply download the FREE Arkansas College of Barbering App using your mobile phone or device. The App is available on Apple App Store and Google Play Store for Android devices. You can search for the App by entering “Arkansas Barber App” in the app search field, and select the **App** from the search results. Download and Open Arkansas Barber App.

PUBLIC SCREEN

STEP 1:

When accessing Arkansas Barber App for the first time, you will need to activate your account. Please select “STUDENT LOG IN”

Register Or Access Your App From a Web Browser

To get started, simply enter <https://arkansasbarber.goklass.com> in the Internet browser address bar. If you have already downloaded the mobile app you can use the same credentials (email address and password) to gain access to the website. For first time users please follow the directions in Step 1.

STEP 1:

When accessing the App for the first time, please click “Not registered yet”.

Then enter your email that matches our record. Then insert your “Password”.

Please select “Not registered yet” at the Login screen. Current students will use their email address as their Username and will be prompted to enter a case-sensitive password. Please contact Ray Nunziata at ray.n@arkansascollegeofbarbering.com if there is any issue registering using your email address. Your email address must match the one currently shown in our database. Registered users can contact support@klassapp.com if there are any technical issues.
